Student Name _____
Date _____
Class Period _____

Vocabulary Worksheet for Section: _____

1. Read your exhibition section and note all words that you don't know on the left column.
2. Note 'your definition' in the middle column for those words you can understand through reading.
3. Look up all listed words and write their dictionary definitions in the right column. On the Internet, you may use the MedlinePlus: medical dictionary at https://www.nlm.nih.gov/medlineplus/mplusdictionary.html
