

# 1, 2, 3, LOG IN!

# Your path to the New DOCLINE

## Step 1: Create (or choose) your Google account

- Google accounts are necessary to access the new DOCLINE
- You can create a Google account using your work email -- *you don't have to use Gmail*

## Step 2: Complete user form (in old system)

- This information will connect new DOCLINE user accounts to existing Library or Libraries in the new system
- Supply Google account email address from Step 1
- Users responsible for multiple libraries must fill out 'User Info' form for each library
- Complete form in advance of Preview period (mid-summer)

## Step 3: Watch your email for *Log in Instructions* later this summer
