

Quiz: Primary and Secondary Sources

Consider the following items from Profiles in Science: The Charles R. Drew Papers website. Assign whether each item is a **Primary** or **Secondary** source.

1.

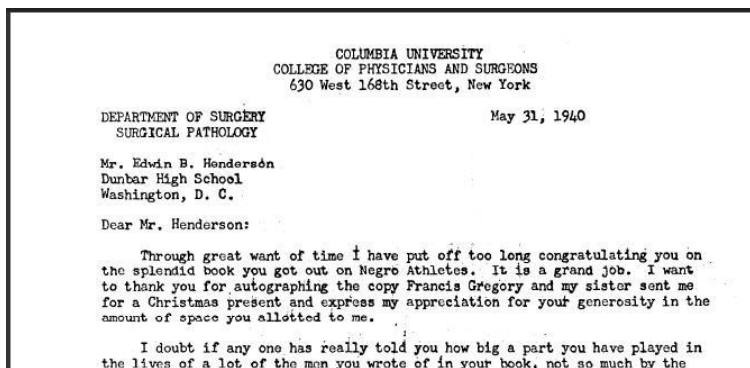

(<http://profiles.nlm.nih.gov/ps/access/BGBBGF>)

Hand-written letter from Dr. Drew to his mother, Nora, dated June 18, 1938.

Courtesy Moorland-Spingarn Research Center, Howard University

2.

(<http://profiles.nlm.nih.gov/ps/retrieve/ResourceMetadata/BGBBGD>)

Dr. Drew's typed letter to his high school coach, Edwin Henderson, dated May 31, 1940.

Courtesy Moorland-Spingarn Research Center, Howard University

3. “Drew attended Stevens Elementary and then Dunbar High School, which was then one of the best college preparatory schools--for blacks or whites--in the country. Though bright, he was not an outstanding student; instead, he devoted much of his effort to athletics, where he excelled. Ambitious and competitive, he lettered in four sports, and won the James E. Walker Medal for all-round athletic performance in both his junior and senior years.”
