

Letter from
John Berry Jr's
Daughter.

10/24/79

Dear Leonidas;

Sorry it's taken me
so long to send you the
photo's you requested. I
hope you will find them
satisfactory.

How is your health pro-
gressing? When we talked
last you mention, you had
been ill. Are you feeling
better? Leonidas, I told
my sisters, about our pre-
vious conversation, and about
your book, needless to say,
they are excited about
it, as I am.

I always enjoy talking
to you, maybe one day
there won't be so much
distance between us!
until then, please take
care of yourself, say hello
to your family for me.

Love
Victoria (Berry) Ross

P.S. my better's address
on other side.
