Dear Lee,

I am so proud of you, all of us
are. Wouldn't it be wonderful
if mom and dad were here to
witness your accomplishments.
You have reached the height. You
have far passed Mr. Jones. (smiles)
It would be great if the family
could celebrate with you, some
time, some where. Not just to come
to Detroit to visit Lynn and me, but
go some place which we've never
done. I'd like to see all of us worship
together just once more, just one more
time. We did it once since mom and dad

passed. I think on these things,
²
~~little by god~~

Before sending this letter to Dr. Rogers I think I shall call the lawyer. I have so many statements from medicare. I don't understand

I think medicare paid the ambulance service too. I have a statement ~~that~~ to that effect. The services were \$40⁰⁰. I was buggy and buggy, so I paid it. The other day I received a statement from medicare saying - billed \$40⁰⁰ paid by medicare \$39⁰⁰. I should be re-imbursed \$39⁰⁰ I only owe this emergency service \$8⁰⁰.

Will let you know how I come out. Here are some pictures of me with my new teeth and my new car. God bless you. You are the greatest. God bless you. NOW, get some rest if you can.
Love, Gladys
