Dear Bill,

The receipt of the certificate of honorary fellowship came as a very pleasant surprise. It is just like you to think of such things, although it had been some time since I appeared on your program.

Please accept my sincere thanks for this tribute. I will put it among my mementos and think about you and the men whom I met there. Hope I may see you at the convention.

With very best regards, I am

Sincerely yours,

Leonidas H. Berry, M.D.
