Dr. Berry,

I hope that you will remember me. I am Jimmy Pauline. You came to Fox. once to see your cousin, Pauline. I am her son.

At any rate I am interested in going to Meharry Medical School, and my mommie told me to write you and found out if you think that it would be the right choice.

How are you and yours doing?
Everyone here is fine and Mommie
+ Daddy says hello.

If you would like to write me,
my address will be:

1639 West Lake Ct.
Apt. C
Atlanta, Ga.

Hope to hear from you. Take
care and don't work too hard.

Yours,
Jimmy
