and endorse. I will call your attention  
to the consideration of New vistas in addition to  
~~and~~ giving hearty support to all the  
meritorious programs which this association and its leaders  
have developed in the past. Among the  
the matters which will be presented to you  
in my report will be included the

your indulgence, and your support so  
that I may carry forth the ~~work~~ <sup>with</sup> ~~status~~  
of this office which you have put on my shoulders  
with the distinction and credit it deserves.
