Mr. and Mrs. LaVaghn Yates
2994 Collingwood
Detroit, Michigan

Dear LaVaghn, Gladys, and Gerry ---

I am sure that Em has written since we returned to Chicago, but this is just a note to express my direct and personal thanks for your fine hospitality and the very lovely visit which we had during Easter weekend. I think it was generally enjoyed by all, and I think we should do it more frequently. I was glad to see all of you in good health and doing nicely.

Love and best wishes,

Leonidas
