

Merry Christmas....

I have checked and double-checked with
Beverley Carter, USIS, the newspapers and
the Ministry of Information, about the
photographs taken of you being greeted on
arrival here by President Kenyatta, but
regret very much I have drawn a blank.

I do hope you had a successful stay in Lagos,
and have arrived back in the States all in
one piece!

I would love to have a copy of the photo
you took of the 3 of us at the airport entrance,
if you could possibly manage it please! Have a
very Happy Christmas.
