Dear Dr. Berry:

It was very nice speaking to you on the phone and having you accept to participate as a Panelist for the Panel of "Surgery of the Stomach--Peptic Diathesis"; during the Clinical Congress of Abdominal Surgeons, which will be held at the Sherman House, Chicago, Illinois March 26 to 30th. 1966.

The subject assigned to you during this panel is "Medical Management of Peptic Ulcer!"

This panel will be held March 28, 1966 from 1:30 to 3 PM.

Should the above be agreeable to you, please send me a letter to that effect.

I would like you and Mrs Berry to be my guests for the Distinguished Service Award Luncheon on Wednesday March 30, 1966 at 12 Noon. It will be at this Luncheon that an outstanding Abdominal Surgeon will be presented with the Award for outstanding Abdominal Surgery for the year.

Gratefully yours
