Dear Leonidas:

It is my great pleasure to inform you that the Governing Board of the American Society for Gastrointestinal Endoscopy, on Saturday October 23, 1976 voted to award you the Schindler Award for 1977. Your name was placed in nomination by The Schindler Award Committee which consisted of Drs. Boyce, Dagradi and Rinaldo. The nomination was received with great pleasure by the remaining members of the Board. It was considered a very fitting recognition of the many years you have devoted to the teaching of endoscopy.

We shall be contacting you in the future about the exact arrangements for the presentation in Toronto. Meanwhile, I would like for you to give some thought as to who you would like to have make the presentation.

In closing, I would like to extend to you my personal congratulations.

Sincerely yours,

John F. Morrissey, M.D.
