Dear Fellow Member:

Next month in New Orleans I will be honored to assume the Presidency of this Society for the coming year. It is the responsibility of the President to appoint Committees to carry out the varied functions of the organization. I am writing at this time to ask that you agree to serve on the enclosed Committee for the period of time indicated. Your Committee Chairman will be in touch with you regarding the responsibilities with which your Committee has been charged by the Governing Board. It is hoped it will be possible for you to serve in this capacity and I will assume your acceptance unless I hear from you to the contrary.

I look forward to seeing you in New Orleans at the Society's Annual Meeting on Wednesday, May 23.

Sincerely yours,

Joel F. Panish
