Dear Health Committee Member:

The next meeting of the Health Advisory Committee is scheduled for Thursday, March 4, 1965, at 3:00 in Room 1300, 211 West Wacker Drive. Presiding at the meeting will be the new chairman of the Health Committee, Dr. Edsel K. Hudson. Dr. Hudson succeeds Dr. Leonidas Berry, the president-elect of the National Medical Association, who has agreed to remain as a member of the Committee.

The Committee will be pleased to have as its guests the following representatives of Provident Hospital:

Mr. Earl B. Schermerhorn, chairman of the Board of Trustees
Dr. George Shropshire, chairman of the Medical Staff, and
Mr. Clyde Reynolds, Executive Director.

Also on the agenda will be a brief report by staff on the Commission's recent experiences with hospital complaints, and a status report on the Council on Biomedical Careers from Dr. Alfred Klinger and Dr. Andrew Thomas.

I hope everyone will be able to attend this meeting, which promises to be most interesting. (Note that the meeting is being held on a Thursday afternoon instead of Wednesday as usual). Please indicate on the enclosed postal card if you plan to attend.

Sincerely,

Hal M. Freeman
