Dear Dr. Berry:

I think everyone had a good time Saturday night at the dinner and film session. I certainly hope so and I enjoyed it.

The bill for the dinner was \$200.00 for 24 people, this figures out to be \$8.33 apiece. I may get an additional bill for the room and the projection equipment but I rather doubt this. So if you will send me a check for \$16.66 I think we will be all square.

With very kindest regards.

Sincerely yours,

Charles H. Brown
