Leonidas H. Berry, M.D.
2600 South Michigan Avenue
Chicago, Illinois

Dear Dr. Berry:

Dr. Fred Steigmann is proposing me for promotion from Associate Fellow to Fellow in the American College of Gastroenterology.

I have forwarded all papers and appropriate credentials to him.

He has volunteered you as the endorser. I hope this is agreeable with you. Thank you in advance.

I will look forward to seeing you at Bal Harbour in October, if not before.

Kindest regards.

Cordially,

Louis M. Marks
