

TO WHOM IT MAY CONCERN:

This is to certify that Wendell E. Carter, M.D., has completed the practical patient related instruction in Upper Gastrointestinal Fiber-optic Endoscopy, as given in a weekly Commuter Course approved and supported by the Cook County Graduate School of Cook County Hospital and sponsored by the Illinois Regional Medical Program.

The course is given in a three month term in the Endoscopy Clinic of the Department of Gastroenterology.

Leonidas H. Berry, M.D., and
Associates of the Endoscopy Staff.
