June 27, 1951

Dr. Leonidas H. Berry  
President,  
Cook County Physician Association  
412 East 47th Street  
Chicago, Illinois

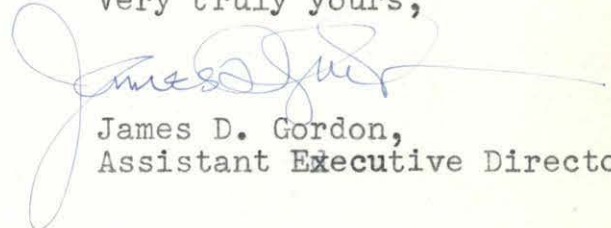

Dear Dr. Berry:

The organization you head has demonstrated its interest in youth through its participation in the "Dope Mus Go" campaign. I would like to enlist your support of a program aimed indirectly at fighting dope, but basically toward the development of youth mentally, physically, and socially.

We are currently planning a sustaining membership campaign in which you can play a major role. We would appreciate your service as chairman of the professional services division. The campaign begins July 16, 1951 lasting until August 29, 1951.

With the hope that you will not give a negative reply, I remain,

Very truly yours,

James D. Gordon,  
Assistant Executive Director
