

GENERAL ASSEMBLY

STATE OF ILLINOIS

October 31, 1951

Hon. Everett R. Peters
Chairman of Budgetary Commission
St. Joseph, Illinois

Dear Sir and Friend;

I wish to request that Dr. Roland R. Cross be requested to appear before the Budgetary Commission at our next meeting, November 7, 1951, to explain what has been done, if anything, about setting up the Narcotic Clinics for which \$90,000.00 was appropriated by the General Assembly this year. If nothing has been done I would like to ask him what his plans are and when he intends to start operations. Will appreciate your notifying him to appear before us.

Yours truly,

Charles J. Jenkins

PS What have you done about the Stena Clerk? Jenkins
