Dr. G. Howard Gowen
State Office Building
400 South Spring Street
Springfield, Illinois

Dear Dr. Gowen:

Your letter of the 24th received yesterday. I had already been in touch with Senator Romare, who is a member of the Narcotics Investigating Commission.

I shall plan to attend the hearing on Thursday, February 2nd at 10 A.M. and to be of whatever service I may in giving oral testimony.

I am glad you will have a summarization printed to supplement our remarks.

Yours very truly,

Leonidas H. Berry, M.D.
Coordinator, Medical Counseling Clinics
