Dear Mr. Reynolds:

In accordance with the request of Doctor Walter Adams, Director of the Medical Counselling Clinic at Provident Hospital and Training School, I am writing to inform you that during the present year, beginning July 1, 1956 and ending June 30, 1957, there will be available \$2,000 in addition to your present budget, which may be used to pay for part-time psychiatric service and to raise present salaries.

As Doctor Adams has indicated to you, this additional amount of money will not be available after July 1, 1957 unless the recommended increase in the present budget is appropriated.
