Dear Dr. Spriegel:

Thank you for your letter of November 2nd. Congratulations on being invited to appear on the reviewing stand. I think it will help our program particularly at this time when the budget will soon be considered. I shall be glad to attend the telecast if possible, if not I plan to see it on the TV screen. I assume you have sent a memo to Springfield.

With sincerest regards and best wishes, I am

Yours very truly,
