Dear Doctor Boshes:

The narcotic bills have been signed by the Governor, as have the budget appropriated by the Illinois Department of Public Health for the support of the Narcotics Counselling Clinics.

I will be in Chicago August 8th and 9th and would have time to talk with you some time on August 9th, if it is convenient. Will you please let me know what time would be most convenient to you and where I can meet you?

Very truly yours,

Ruth E. Church, M.D.
