Joseph D. Lohman, Sheriff  
Cook County Jail  
26th and California  
Chicago, Illinois

Dear Sheriff:

Dr. Dover Roth who was the psychiatrist working in the Medical Counseling Clinics at the Cook County Jail has resigned, effective November 1, 1957.

I have replaced him with Dr. Jordan M. Scher who will report for duty this coming week.

Dr. Scher, besides being a top-notch psychiatrist, has also had extensive experience in research, particularly in the field of communication. He makes an ideal person, therefore, for such a position. I shall ask Dr. Scher to present himself to you.

Sincerely,

Benjamin Boshes, M.D.  
Chairman, Department of  
Neurology and Psychiatry
