Dr. Leonidas H. Berry
Coordinator, Narcotics Clinic Program
Department of Public Health

Dear Dr. Berry:

This will acknowledge receipt of your letter of November 24, with reference to the reestablishment of an adviser to the Judge of the Narcotics Court to be supplied by the State Department of Public Health.

I have discussed this matter with Dr. E. J. Kelleher, Director of our Psychiatric Institute, and we are both of the opinion that there is no need for the reestablishment of this service.

Sincerely yours,

Raymond Drymalski
