Dear Doctor Berry:

I received your letter of August 28, 1959 which arrived while I was out of the city. I also appreciate the material which accompanied your communication.

I was very glad to meet with you in my office on the morning of July 23, 1959. We are certainly interested in all steps which may alleviate the narcotics problem in Chicago. On September 11, 1959, Mr. Graydon Megan, President of the Chicago Crime Commission, and myself directed a letter to Mayor Richard J. Daley urging the City to appropriate funds to continue the work of the clinics. A copy of our letter to Mayor Daley is enclosed herewith for your information.

Very truly yours,

Virgil W. Peterson
