Dr. Jack Moore  
Executive Secretary  
SNMA  
Washington, D. C.

Dear Doctor Moore:

Your letter was received at a point when I was about to address a letter to you. I regret very much that I was unable to attend the SNMA banquet on Thursday evening in Cincinnati. As a matter of fact, my wife and her sister waited for me in the hotel suite until long after their meal hour and finally ate by themselves, because I was tied up in the House of Delegates.

I am very anxious to give you whatever support I can during the year, and would like to get started in this area soon. I have some ideas along these lines, but first of all I would like very much to have a copy of your constitution; and if there are areas in which you think I may help, please let me know. This invitation, of course, also goes to your president, Dr. Mitchell, and other interested officers.

Tell me something also about what you were able to do in Cincinnati. The matter of liaison, as you mentioned, is important and I am anxious to see what there is in your constitution which may relate to this point.

Let me hear from you at your earliest convenience. Wishing you the very best of success in your new organizational venture,  
I am

Sincerely yours,

Leonidas H. Berry, M.D.
