Dear Doctor Berry:

Enclosed is a copy of a draft of Public Health Service's proposed guidelines for hospital compliance with Title VI of the Civil Rights Act. The final copy will soon be distributed to hospital administrators, medical leaders, civil rights organizations, etc. In view of your special interest in this matter, we would be most interested in your reactions to the enclosed draft.

Since we are planning to develop a final version of the guidelines in the very near future we would be particularly grateful if you could give us the benefit of your reactions as soon as possible and we would be quite happy to get them via a collect telephone call to me (963-6780) or my staff assistant, Mrs. Sherry Arnstein (963-4125).

With all good wishes,
