Dear Dr. Berry:

Re: Conigliaro v. Manhattan
Central Medical Society

Please be advised that on March 2, 1966 a meeting of the Manhattan Central Medical Society's Executive Committee was held at the City Commission on Human Rights and at that meeting Dr. Conigliaro was voted as a member of that society.

The matter has been satisfactorily concluded to the satisfaction of CCHR. It was agreed by the M.C.M.S. and the Commission that a statement would be issued to the press stating that the matter has been settled and Dr. Conigliaro has joined the white and Negro members of the association.

If you desire, you may issue a statement to the press for the National Medical Association.

Cooperation in this matter, with kindest regards,

Thank you for your

Very truly yours,

Anna T. Withey
