Mr. Walter P. Reuther, President
International Union UAW
8000 East Jefferson Street
Detroit, Michigan 48214

Dear Mr. Reuther:

It was a pleasure to receive your invitation to attend the convention of the International Union UAW in Long Beach, California, May 16-21, 1966.

It so happens that I have a conflict with reference to this date. However, I am attempting to have one of our officers in that area to represent me. I have requested that this be done and that the person who is to appear should let your office know by filling out the card which you enclosed. Again, I appreciate this invitation and sorry that I cannot attend in person.

Very truly yours,

Leonidas H. Berry, M.D.
