Dear John,

Hope ^{you} and Sallie are doing Satisfactorily
As well as the rest of the family. I am priding
myself on being a "Good" "Eun" has her ups & downs. You have given
me excellent information on my study of the family
history. I appreciate that you don't show a lack
of patience. The note is to ask some urgent
information. Please fill out the enclosed
chart as far as you possibly can, and return
at your earliest convenience. It consists of a
listment of all the folks buried in the burial
yard behind the woodsdale ^{house}, as to their dates of birth
and death. You will see that I have quite
a bit already. You are the one person who can
give this informant, except Jug whom I hope is
much improved. This is all for now -
I would like to get this study over with. It is
very interesting to me but time consuming and I
must finish while I still have the strength.

Sincerest regards to you and family -

Corrie

P.S. Please fill out
chart and return. Keep
a copy if you wish

would you
check on Jug
for those unknown to you?
