Dear Charlie:

Miss Lee is back home walking all over the house as though nothing ever happened. I visited her in her home. She has nice quarters. There is some question about the attitude of the "benevolent" sister but probably better conditions could not be worked out elsewhere very well.

I took some pictures, if they turn out I will send you a copy. Will also keep you appraise of her condition from time to time.

Her address is 8050 S. Wabash Avenue. Hope you and Lillums are fine.

Sincerely yours,

Charlie
