Mr. Douglas Cater  
Administrative Assistant to  
the President  
White House  
Washington, D.C.

Dear Mr. Cater:

I presume that Mr. Erwin Duggan has communicated with you verbally or by memorandum regarding my upcoming trip to Tokyo, Japan, for participation on the program of the World Congress on Gastroenterology and Endoscopy. I had originally attempted to communicate with you because of having met you on a couple of occasions during the last year.

I am enclosing a memorandum describing a lecture-demonstration tour in East and West Africa, which is similar to the one proposed for the Orient.

Respectfully yours,

Leonidas H. Berry, M.D.
