Dr. William Cetnock
Chairman Dept. Medicine
Mercy Hospital
Chicago Ill

Dear Dr. Cetnock

This will confirm our recent conversation about applying for medical department privileges at the Mercy Hospital. I have long held a very high regard for Mercy Hospital of Chicago and its rich history.

I would consider it a great honor to be permitted to practice the specialty of Internal Medicine and Gastroenterology including Gastrointestinal Endoscopy at the Mercy Hospital. I hereby apply for appointment to the Adjunct Staff and hope that I may be able to contribute to the high grade lovely services available at this hospital.

Respectfully & Fraternally Yours

L. H. Berry
