EVALUATION.

October 30, 1956

H. D. Kautz, M.D.
Secretary, Council on Pharmacy & Chemistry
American Medical Association
535 North Dearborn Street
Chicago 10, Illinois

Dear Doctor Kautz:

Our submission of data on Antrenyl is now complete and twenty-five copies are being sent you for evaluation by The Council on Pharmacy and Chemistry of The AMA.

The product booklet beneath this letter contains the generic and chemical names of Antrenyl as well as the structural formula. In it, too, are sections on indications, dosage, side effects and overdosage.

Cordially,

Richard H. Roberts
