Dear Doctor Berry,

I have applied for your course  
entitled "Gastrosocopy and Gastroenterology"  
which will start March 16, 1964.

I have been using the Hirschowitz  
Gastrointestinal Fiberscope for 2 years  
and would like to get your  
opinion regarding this instrument.  
Since I am engaged in teaching at  
the St. Francis Hospital here in  
Hartford I am curious about the  
phantom stomach mentioned in  
your brochure. I am interested  
in purchasing one and would  
like to know where I may obtain  
one. I am looking forward to
