Dear Dr. Garvin:

In compliance with your letter of recent date, I would expect to see you Tuesday morning, June 25th, at 10:00 A. M., The Cook County Hospital Gastroscopy Clinic, Basement of the men's building. I will look forward to seeing you at that time and if you have a gastrobiopsy instrument that you care to bring along you may do so, although this is not necessary, as I think it is exactly the same as the one that we have here, that is, the Eder type instrument.

Looking forward to seeing you, I remain,

Very truly yours,

Leonidas H. Berry, M. D.
