Dear Dr. Goldsberry:

I received your letter of recent date. I gave your request to the Graduate School of Medicine and they promised to get in touch with you, sending you all the information desired.

I shall be happy to have you take my course. Dr. Massarelli was certainly an apt student and it was a pleasure to have him with us a few months ago.

I hope that all goes well with you at this time.

With sincerest regards and best wishes, I am

Very truly yours,
