TRIBUTE
TO
SENATOR LISTER HILL

FOUR DECADES OF HEALTH LEADERSHIP

July 18, 1966

Dr. Leonidas H. Berry, President
National Medical Association
412 East Forty-seventh Street
Chicago, Illinois

Dear Doctor Berry:

On August 13, the health professions in the United States will pay tribute to Senator Lister Hill at a formal dinner in Chicago. Representatives of major health associations and of major health agencies in government are expected to attend.

The date chosen is particularly appropriate since it marks the twentieth anniversary of the signing of the Hill-Burton Act. It will provide the health professions with an unparalleled opportunity to salute Senator Hill for his more than 40 years of service in Congress and for the profound and far-reaching effect which his work has had on the health of the American public.

A formal invitation has been sent to you under separate cover. I sincerely hope that you will find it possible to attend and to join us in paying tribute to this great American.

Sincerely,

Harold Hillenbrand, D.D.S.
Co-Chairman
