Dear Dr. Johnson:

Thank you for a copy of your letter to Ambassador Peal. It has come to my attention that Dr. Leonidas Berry has a great number of excellent contacts on the African Continent. He also has had considerable experience in traveling there with the cooperation of Pan Am.

I am asking that he offer you all the assistance possible in developing our African effort. You may contact him at:

Best wishes.

Sincerely yours,  

Jasper F. Williams, M.D., F.A.C.S.
