Dear Doctor Mekhjian:

I have your letter of November 29, which found me out of the country.

I would be very happy to have you in my course to be given in March of 1966. Please write to the registrar of the Cook County Graduate School, Cook County Hospital, 1800 West Harrison Street, Chicago, Illinois. They will give you further information and I hope we will be able to register you in the course.

Very truly yours,

Leonidas H. Berry, M.D.
