Dear Art:

Have been thinking about you and the madam and wondering how you are. I hope that you both are doing as well as can be expected. Emma and I ~~are~~ doing no better than than. I have had to slow down considerably.

I should have acknowledged your thoughtfulness for sending me a congratulatory note regarding the Professional Achievement Award from our Alumni Association. Many thanks for that and please accept my very best wishes to you and family.

Sincerely,

Leonidas H. Berry, M.D.
