Dear Mr. Pollum:

It was very nice meeting you at the Exposition and having a short chat. I wish you every success with the major firms' employees with reference to the Crusade of Mercy this year. After this campaign is over I have some other matters which I should like to talk with you about. I wish to thank you sincerely for the beautiful "shots" of the scenery at Natural Bridge, Virginia, and the regional Blue Ridge and Allegheny mountains. It makes me want to go back again soon and view the scenery.

With very best regards, I am,

Yours very truly,

Leonidas H. Berry, M.D.
