Dr. Jorge Prieto, Chairman  
Department of Family Practice  
Cook County Hospital

Dear Jorge:

Thank you very much for your informative letter I received yesterday. Referring to your statement that you hope I will join you in "negotiations with the people at Danial Hale Williams". I will gladly join your efforts in this area in accordance with your direction as Chairman of the implementing committee for Cook County Hospital and the Provident Hospital affiliation for Family Practice.

You have only to assign to me a specific chore at any given time. I will initiate no formal suggestions, but will await expectantly your specific instructions.

Sincerely,

Leonidas

LHB/hlc
