(Letter to be answered)

Dear Leon:

I hope you are planning to attend the Annual Meeting of the ASGE. If so, I would like to solicit your vote for my re-election to the Council. I am finishing my two-year term and feel I would like to continue on the Council so that I may be sure we have a strong Society and we can control our own futures. I am especially concerned that the ASGE should be responsible for determining qualifications for endoscopists. I do not believe we should be dictated to by other sources, including the federal government. It is only through strong central leadership that we can fight these trends.

Again, I would appreciate your vote and support at the business meeting on May 26.

Kindest personal regards,

Sincerely yours,

J. Alfred Rider, M.D., Ph.D.
