Dear Smutte,

Sorry the enclosed check
for \$500.00 is a little late.

Partly this is due to the fact
that ~~no~~ forms, statement, Contract
or what not was reviewed by me
regarding the loan, rate interest,
amalgam, date, etc.

I am simply confessing my
ignorance about the details
of the plan.

With any rate my check is enclosed
and I would appreciate the information
sent the questions raised

project and everything else
is fine - Yours truly, KTH
