Dr. Fausto R.A. Elias Wilson
207 South 42nd Street
Philadelphia, Pennsylvania

Dear Doctor Wilson:

After reconsidering my spring schedule and considering the fact that you and about four other doctors were very anxious to get into my course in the spring, I have finally been able to re-adjust things to offer the course in May, at a time when I hope that you can take it.

You should have by now or you will in the near future hear from our registrar, Mr. Meyer, regarding the matter.

I hope that you may have an enjoyable holiday and with every good wish, I am

Yours very truly,

Leonidas H. Berry, M.D.
