Dear Dr. Berry:

I must apologize for a long delay in answering your letter of April 19, 1957. I had, of course, hoped to attend the meeting of the Membership Committee at the Colorado meeting, but was unable to do so because of the illness of my son.

I do not as yet have the data pertaining to the Membership Committee and can only say that I will look into the matter at the time of our next meeting in the fall and then write you after that.

Sincerely yours,

Leon Schiff
