Mr. Harry M. Oliver, Jr.
Chairman
Citizens Commission for Senior Citizens
203 North Wabash Avenue
Chicago, Illinois 60601

Dear Mr. Oliver:

I appreciate very much the invitation from you and the chairman of the Health Committee to serve as a member of the Health Committee of your organization.

I must say, however, that for eighteen years I was a member of the Health Committee of the Commission on Human Relations and chairman of this Committee for three years. I think, perhaps, I have contributed to the extent of my capacity during these years and would decline in favor of someone else who might try their hand. If in any other way I can be of occasional help, I shall be glad to do so.

Yours very truly,

Leonidas H. Berry, M.D.
