

Detroit Medical
Society

June 30, 1966

A. D. Harris, M.D.
12815 Linwood Street
Detroit, Michigan

Dear Doctor Harris:

This is to thank you very sincerely for inviting me over to speak at the meeting of the Detroit Medical Society recently. I enjoyed it very much and derived a great deal from it.

I hope that I will see you at the national convention in August and until then, my very best regards to all of the men in Detroit.

Sincerely yours,

Leonidas H. Berry, M.D.

LHB/ld
